Short Sentence Series

Books introduce novice readers at the sentence-reading level to fictional narratives and informational texts

Short Sentence Series books are decodable with the knowledge of the 26 phonetic alphabet letter sounds and the ability to blend those sounds together. Any word that is outside of the scope and sequence is treated as a Puzzle Word. Puzzle Words and decodable vocabulary are identified in the word list in the front of each book, ensuring that texts are 100% decodable.

Reading Series One

Books tell true-to-life stories that are identifiable and comprehensible to young readers

Reading Series One books are decodable with the knowledge of the 26 phonetic alphabet letter sounds and the ability to blend those sounds together. Any word that is outside of the scope and sequence is treated as a Puzzle Word. Puzzle Words and decodable vocabulary are identified in the word list in the back of each book, ensuring that texts are 100% decodable.

|--|-----------------------------|-----------------------------|---------------|
| Reading Series One: One set of 8 different titles | 14 | @ \$71.60 | |

Reading Series Two

Books include fictional and realistic characters in situations with some conflict and resolution

Reading Series Two books are decodable with the knowledge of the 26 phonetic alphabet letter sounds and the ability to blend those sounds together, plus one new isolated sound/spelling per book. Puzzle Words and words using new phonograms are identified in the word list in the back of each book, ensuring that texts are 100% decodable.

| Description | Current Titles Catalog Page | Softcover Book Set Quantity | Line \$ Total |
|---|-----------------------------|-----------------------------|---------------|
| Reading Series Two: One set of 10 different titles | 16 | @ \$89.50 | |

Reading Series Three

Books have more complex story lines and text structure, building on skills previously learned to further develop fluency

Reading Series Three books are decodable with the knowledge of the 26 phonetic alphabet letter sounds and the ability to blend those sounds together, plus a sound and its various spellings (ee spelled "ee," "ea," and "ie," for example.) Puzzle Words and words using new phonograms are identified in the word list in the back of each book, ensuring that texts are 100% decodable.
